

Boiberik Sings....Again!

FRIDAY NIGHT IN THE DINING ROOM

Undzer lebn oysgeshmidt
In a fayerdiker keyt,
Yidish vort, host ufgehit
Undzer tsar un undzer freyd. (2x)

2. KIDDUSH

Zeks teg hot got, mit mi un freyd
Di velt bashafn un gegreyt.
Tsum tog fun ru un shtil gemit,
Tsu shabes, undzer heylik lid.

Mit hertser reyne, frische.

3. HIMNE FUN DI YINGSTE

Yingste kinder, kleyn un klener,
Vaksn sheyn un blienshener,
Ot azoy un ot azoy.
Di vos viln zikh derfreyen
Kumen in di yingste reyen,
Ot azoy un ot azoy.

Trinkt men milkh fun fulle bekher,
Vakst men hekher, vakst men hekher,
Ot azoy un ot azoy.

Lomir, yingste, zikh nor nemen,
Veln eltste zikh farshemen,
Ot azoy un ot azoy.

Our life is hammered out
In a fiery chain.

Yiddish language, you have continued
Our pain and our joy.

For six days, God, with labor and joy,
Created the world and made it ready.
To the day of rest and quiet spirit,
To the Sabbath, our sacred song.

And this is our Kiddush,
In Yiddish, language blessed by the
Jewish people.
We have sanctified the seventh day
With hearts clean and fresh.

Small young children
Growing pretty, blossoming prettier,
That's how it is.

Those who want to enjoy themselves
Join the yingste ranks.
That's how it is.

We drink milk from full glasses,
And grow taller and taller.
That's how it is.

If we yingste try hard enough
We can even put the eltste to shame.
That's how it is.

4. HIMNE FUN DI MITELE

Yingste do un eltste dort,
Vert der veg tseshnitn,
Vayl mir zaynen mitele,
Geyen mir in mitn.

Mitn, mitn, mitele,
Geyen mir in mitn.

Keyner hot di mitele
Keyn mol nit farbitn,
Do tsu yung un dort tsu alt,
Blaybn mir in mitn.

Mitn, mitn, mitele,
Blaybn mir in mitn.

Zumer zingt men af der shif,
Vinter afn shlitn,
Do tsu shtil un dort tsu hoykh,
Zingen mir in mitn.

Mitn, mitn, mitele,
Zingen mir in mitn.

5. HIMNE FUN DI ELTSTE

Di groyse, groyse freyd fun ton.

Mir hobn zi in harts farzeyt.
Di eltste, di eltste,
Di eltste zaynen greyt.

Yingstes here and eltstes there,
On both sides of the road.
Because we are the mitele,
We walk in the middle.

Middle, middle, middle,
We walk in the middle.

No one has ever
Mistaken the mitele.
Here too young and there too old,
We're always in the middle.

Middle, middle, middle,
We're always in the middle.

In the summer you sing on a boat,
In winter on a sled.
Here too soft and there too loud,
We sing in the middle.

Middle, middle, middle,
We sing in the middle.

6. HIMEN FUN DI GROYSE

Birger kleyn un birger groys,
Vi es iz bashert.

Shteyen mir di birger groys
Shtendik af der vakh.

Groyse, ale af der vakh,
Hitn mir dos hoyz;
Hitn mir, bavakhn mir,
Birger kleyn un groys.

Children and counselors,
These are our roles;
We are the counselors
Here in our land.

Our foundation is solid,
Our roof is wide;
We the counselors
Are always alert.

Counselors, let's keep watch,
And guard our home;
We watch and protect
Children and grown-ups.

Light into our house.

Spread your warm wing
In the evening wind;
White candles in our house
When day disappears.

Sing, sing...

I will sing a song,
 A song of my heart,
 To the gold of the evening,
 To the white of my clothes;
 A song to the singing of Friday evenings,
 A song to the setting sun.

Too noisy is the gray
 Of the dusty roads,
 Too quiet the green
 Of the evening field.
 May we be blinded by the whiteness
 That approaches us
 From our world made over by Shabes.

Sholem alekhem, melakhey hasholem...

COME LET US SING, LET US SING OUT TOGETHER

Come let us sing, let us sing out together,
 Come let us lift us our voices once more,
 Away from the weekdays of worry and trouble,
 With a heart that is free, with a heart that is pure.

Heaven burst open, the waters descended,
 The sky beat the land til the land became strong;
 And love, that created the world and its peoples,
 Gave them a blessing of mercy and song.

Comfort to all who are beaten to sorrow:
 We give you a blessing from pain of our own.
 Know that the Lord is the tyrant's oppressor,
 O brothers in suffering, in fear and alone.

Let not our memories lose the impression,
 Forget the commandment from spirit and heart
 Of the tortured and tormented Jewish communities-

Martyrs for Justice, for Man, and for God.

The fortress of righteousness---mighty, eternal:
 The light of the righteous shines ever the same.
 Good fortune will follow the merciful heart,
 But a heart that is hateful can only bring pain.

9. SHOLEM ALEKHEM

(traditional)

Sholem alekhem, malakhey hashoreys
 Malakhey elion
 Mi melekh malakhay hamlokhim
 Hakodesh boruch hu

Boakhem l'sholem, malakhey hasholem...

Borchuni l'sholem, malakhey hasholem...

Tseyeskhem l'sholem, malakhey
 hasholem...

Come let us sing out together, together:
 And let those in anguish take heart from our call.
 Branches grow out of the strength of the tree,
 And the roots must grow deep for the tree to grow tall.

Deep is the song of the stars in the heavens,
 Deep is the song of the grass of the earth--
 To sing and to sing, and never grow weary,
 The world to be hearing, alone to be heard.

In peace and in reverence, O let us listen
 To the quietest whisper of leaves in their flight:
 And with God's miracle, a clearness of vision,
 Rise up together and walk in his light.

Peace to you angels, angels of peace,
 Bringing from Heaven the vision, the dream.
 Gather us round you and make our way bright,
 Us and the shadows we cast in the night.
 With heavenly vision, O let us be blessed,
 Angels of freedom and rest.

Peace to you, messengers on high
 Bringing the heavenly blessing

Sholem alekhem, melakhey hasholem...

Draw near, draw near, oh Sabbath bride!

In Boiberik, in Boiberik,
The heart streams with song and praise.
In Boiberik, may the white dove of peace
Glide freely.

Glide high and free,
And free and far,
Land in, land out,
Land in, land out.
And Boiberik, and Boiberik,
Will be your loyal guardian.

Israel sings the song of peace,
Our woods and fields join in.
And see, how freely
All the doors of the world are opening.

Resound, oh shofars!
The world is born anew.
The spirit of the prophet awakens:
His word comes true.

Greetings from the land of Israel,
From the land of the prophetic dream.
From there, the voice rises louder
and louder,
The call to peace for all time.

Take the sorrow of all generations
Spread it out over all the bridges
Place it on every brow
Plant it in every glance

The cry of the lost
The weeping of those not yet born
It begs, it demands
From its rocking slumber
An end, an end, an end.

(Milkhome, cont'd)

Shpreytn, shpreytn zikh di fayern,
Brenen, flakern di shayern
Un yede frukht fun mentshns hent—

Di gantse velt banayen,
Yo, yo banayen,
Yo, yo banayen,
Ufboyen fun dos nay!

The fires spread and spread
The barnes are all aflame
And all the fruit of human hands
Robbed, burned, ravaged

The cry...

Look as far as the eye can see,
Count the wounds of the suffering
Rest awhile on every grave
Of those down before their time

The cry...

Take the axe and run wild
Break the tombstones of the grave,
Spkit the skeletons of the dead,
And inscribe in every book:
“Let every sign of war
Be erased forever.”

The time has come,
We rejoice together.
And no one will close the road
To the new land.

Welcome to the new land;
We are all brothers.
A free world of happiness and good fortune
And songs of brotherhood.

The time has come, yes, it's come
It's not very far,,
Not far at all!
Humanity to be freed
Yes, the whole world renewed,
Lifted up newly.

6. LID FUN DI ELTSTE

Vos du mit trern host farzeyt
In yisroel, yisroel.

The prophet's word
From near and far
Is heard again throughout the world
And those destined to live in today's world
Are heartened.

The eternal word of the prophet
Is fulfilled
You carry away an old world,
A rotting corpse.
You are fortunate
To witness the miracle.

The prophet calls,
And all people heed his voice.
And the joy among our people
Grows stronger
Whoever has a hand to give
Reaches out his hand.

And land after land
And nation after nation
And people after people
No longer divided into master and slave
Or wolf and sheep.
And see—the beinning of the end
Comes nearer and nearer.

An echo from the heavens:
Come here, you person,
Into the new world,
To the new human being.
Oh come here and weep for joy
In the house of peace.

An echo from the heavens:
Come out, you person,
Into the free field
And reap with singing
What you sowed with tears
In Israel, Israel.

8. DEKLAMATSYE UN KHOR

Un s'vet keyn leyb nit brumen --
O, yener tog, der groyser tog,
Shoyn ongekumen!

The sun rises, the sun sets,
The world is our greatest joy.
The earth is our gift
For work, peace and song.

Oh, brothers, lift yours hands and swear
To bring peace on earth.

For each nation there is enough
To live well, to live wisely,
To have enough to eat, to be clothed,
To live all their days in joy.

Oh, brothers, lift yours hands and swear
To bring peace on earth.

All people are brothers,
Red, yellow, black, white.
Countries, nations, and climates
Are a made-up story.

Black, white, red, yellow --
Mix all the colors up:
All people are brothers
From one father, from one mother.

The hard earth, the raw cliff
Soaked through with blood,
The savage news from afar —
Is it the last?

The prophet says: a day will come
When all the beasts will be silent.
Has that day, the great day
Come?

The prophet says: a garden blooms,
Bathing the earth in flowers.
Has that day, the great day
Come?

The day when every wolf has eaten enough
And no lion will roar --
Oh, that day, the great day,
Has come!

We're going, we're coming
From hill and dale,
Singing praise to the peoples.
Spread your wings
Spirit of the prophet,
And be our snow-white dove.

We greet each other
In peace and friendship,
For the heart of our generation
is new.
A world of friends in good times and bad,
The old dream comes to life.

We are the people,
We are the world,
We sing praises together
Spread your wings
Spirit of the prophet
And be our snow-white dove.

May everyone have a good year!

Oh, Boiberik, the time has come,
The end, the end is here.
The all the summer-joy is alive
In our hearts the last hour.

And when winter arrives
And everything is white with snow,
Boiberik will warm us
With the light of summer-joy.

Warm us and illuminate us
And call: I am here.
That's when we will come and start
All over again.

Oh, the hot day sets
And the cool evening blows,
And the child stands exhausted at my
door.
Come to me, my child,
Come to me, my child,
Your table set with milk and bread
Stands ready for you.

The moon swims out
Cold and sad and big.
The child eats and, big and hot,
A tear falls.
Come here, my child,
Come here, my child,
Lay your head in my lap
And fall asleep.

AND OF COURSE.....

**In Boiberik iz lebedik,
In Boiberik iz freylekh,
Ver es kumt kayn Boiberik
Lebt zikh vi a meylakh!**

**In Boiberik iz gut azoy
Nito zikh vos tsu zorgn
Un mit a shmeykhl fun der zun
Bagegnt undz der morgn!**

In Boiberik it is lively and joyous
In Boiberik it is happy
Whoever comes to Boiberik
Lives like a king!

It is so good to be in Boiberik
No worries at all
And a smile from the sun
Greets us in the morning
